Records Solutions

BY AVENU INSIGHTS & ANALYTICS

EXPEDITE & ENHANCE YOUR INDEXING PROCESS & WORKFLOW

From maps and marriage licenses to birth and death certificates, vital records capture and propel your community's progress. But properly recording and maintaining those entries becomes a crucial challenge as the number of records — and your constituents' service expectations — continually grow.

Streamline your day-to-day operations with **Records Solutions** by Avenu. Our web-based system allows recorders and clerks to consolidate entries into a digital database that seamlessly indexes, files, searches, images, redacts, and reports records in compliance with constitutional requirements. Modular and highly configurable, our Records Solutions enable a flexible workflow that adapts to growing communities of all sizes.
