

Justice Solutions

BY AVENU INSIGHTS & ANALYTICS

THE AUTOMATED APPROACH TO COURT CASE & JURY MANAGEMENT

When it comes to managing court cases and juries, efficiency is key. Every instance of manual processing slows down the system, increasing the odds of lost hours, lost resources, or even lost documents.

Streamline your system with **Clearview Court** and **Clearview Jury** by Avenu. Our end-to-end court case and jury management solutions provide powerful functions and advanced workflows to meet the needs of today's court systems.

Automate your reporting. File documents electronically. Avenu's Justice Solutions reduce costs and uphold national standards at every stage — creating a smoother, smarter experience for judges, court staff, and your constituents.

From the Administrative Experts Trusted Nationwide

When state and local governments need support, they turn to Avenu. We support mission-critical government operations with revenue enhancement programs and administration software that's backed by public sector expertise, making it easy to serve citizens reliably, efficiently, and securely.

Your Complete Suite of Justice Services & Solutions

Clearview Court

Our ADA-compliant approach streamlines every stage of civil, criminal, juvenile, traffic, and family court processes with smart scheduling functions and an intuitive public access portal.

CASE FILING

Save time by accepting cases electronically, customizing data fields, and generating case identifiers, captions, and more.

SCHEDULING

Manage hearings more easily with built-in conflict checking protections and software-generated hearing notices.

DOCUMENT PROCESSING

Generate necessary documents at any stage — our software immediately assigns them to the correct case.

ADJUDICATION

Configure your own preferences for entering judgments, sentences, and orders for faster, more efficient processing.

PAYMENTS

Seamlessly collect and process every fee from a central user interface that supports bonds, traffic tickets, and payment plans.

POST-ADJUDICATION

Continually track your cases with intuitive electronic filing, violation processing, and print and mail services.

Clearview Jury

Automate the jury process at every stage, from summons creation to juror empanelment. Our **eJuror** software allows prospective jurors to respond to jury questionnaires or summons online.

JURY SELECTION

Create master jury lists from a variety of sources including the DMV, voter registration records, and more.

POOL CREATION & QUALIFICATION

Populate jury pools swiftly and securely with Avenu's cryptographically secure pseudorandom generator.

JURY MANAGEMENT

Avenu's self-service kiosks allow jurors to check in, enter information, produce payments, and print proof of attendance.

CASE & PANEL CREATION

Streamline your workflow with simplified case creation, randomized panel selection, and mobile functionality.

ACCOUNTING SOFTWARE

Automatically calculate all juror payments and expenses by configuring rules specific to your jurisdiction.

AUTOMATED REPORTING

Choose from over 60 baseline reporting formats from our dashboard, or develop custom reports.
