

Tax Administration

BY AVENU INSIGHTS & ANALYTICS

A BETTER WAY TO MANAGE TAX ADMINISTRATION

When lowering costs means better services and no loss of staff, you've become a hero to everyone. Avenu's Tax Administration solution gives you an easier way to process all your tax and fee payments. We unburden local governments from the day-to-day ownership of responding to customer inquiries, tracking underpayments, issuing licenses and compiling reports, all of which lowers costs and allows your staff to take on other important projects.

"Avenu processes more than \$1 billion a year in taxes and fees for local governments."

THE INTEGRITY OF THE PROCESS

As the revenue administration representative for local governments, Avenu contacts business taxpayers to help them register, file tax returns and remit payments. Our secure systems provide convenient online transactions and taxpayer support, while the fast turnaround gets the funds into your account in as little as 24 hours. Jurisdictions appreciate the consistent and positive results of our SSAE 18 / SOC 1 audits, showing that we handle the process and the funds with the highest standards. Moreover, our reporting feature gives city and county leadership a regular accounting for everyday financial management, audit planning and accurate forecasting.

Avenu's Utility Experience, Your Future Revenue

- Reputable process for local tax administration
- Taxpayer support for multiple tax types
- Established infrastructure that lowers costs
- Tax compliance expertise for sound budgeting / forecasting

Tax Administration Is Easy & Affordable for All Jurisdictions

Buying and maintaining tax administration software, records retention, disaster recovery and other critical requirements creates a large expense for jurisdictions, not to mention the cost of paper, printing, and postage for correspondence and licenses. Because Avenu's solution is already in use by many governments, cities and counties **incur little-to-no startup costs and transaction fees are nominal**. Government leaders get uninterrupted and locally administered programs, focused compliance, professional customer service and predictably lower costs.
